

Equip Meeting Leaders with the knowledge and skills to design and facilitate effective hybrid meetings that maximise inclusivity and collaboration.

Target Audience: Meeting Leaders and Meeting Organisers

Format: Consultative Workshop

Time Commitment: 1 hour

Full Description: <https://customer.sherpany.com/design-and-run-better-hybrid-meetings>

Objectives

- Educate participants on best practices for managing hybrid meetings, including strategies for engaging remote and in-person attendees.
- Provide insights into the necessary technical setup for hybrid meetings, ensuring seamless communication and collaboration across all participants.
- Explore current trends in hybrid meetings and discuss emerging technologies and strategies that will shape the future of hybrid meeting experiences.

Outcomes

Upon completion of the Design and Run Better Hybrid Meetings workshop, participants will:

- Know the best practices for designing and running effective hybrid meetings.
- Be aware of the elements required to set up and manage the technical aspects of hybrid meetings for optimal participant engagement.
- Be informed about current trends in hybrid meetings and anticipate future developments to stay ahead of the curve.
